Updated: 16th June, 2022

◆Vaccination certificates (digital)

Vaccination certificates have been available in digital form since December 20th, 2021.

Applications can be performed using a smartphone however a My Number Card is required. Please see the [Digital Agency website](#) <external link> for details on how to obtain the smartphone application.

◆Vaccination certificates (paper document)

In addition to the conventional vaccination certificate [for overseas use](#), you can now apply for a vaccination certificate for use in Japan. Please contact the Oshu city Coronavirus Vaccination Team for details. ※ The Vaccination Certificate and Vaccination Record provided at the time of the first and second vaccinations can also be used for domestic certification purposes.
