

9 Request to Persons Who Have Moved to Oshu City

Updated: 16th June, 2022

Vaccination Tickets issued for previous addresses (other than Oshu) cannot be used after moving to Oshu city. Persons who want to receive a vaccination in Oshu city must have a Vaccination Ticket that has been issued by Oshu city.

For persons wishing to receive a vaccination, please apply to be issued a Vaccination Ticket as follows.

In addition, for persons who received their first, second and third vaccination using a Vaccination Ticket issued by a different municipality, that person's history of vaccinations may not automatically be received, meaning that their third or fourth Vaccination Ticket also may not be issued. In this case as well, such persons should apply for a Vaccination Ticket.

● How to Apply

1 Apply directly in person

Applications are accepted at Oshu City Hall and the various branches of Oshu City Hall. Vaccination Tickets can be issued on the same day if the application is made on a day after moving procedures have been completed. (This also depends on the date of the person's previous vaccination.)

2 By Telephone (Only for first time vaccinations)

Phone number: 0197-34-2063 (Oshu City Health and Children's Department, Health Promotion Division, Coronavirus Vaccination Measures Team)
Hours: 8:30 ~ 17:00 (Closed Saturdays, Sundays, and national holidays)

3 By Postal Mail

Use the following application form and be sure to enclose a copy of the applying person's Vaccination Record for confirmation when applying.
