### Change Your Smoke Alarm Every 10 Years

More than 10 years have passed since the installation of smoke alarms in all residences was made compulsory.

Older smoke alarms may not sense a fire, due to deterioration of the batteries or sensors. If 10 years have passed, change your smoke alarm to a new one, and protect your family's lives in case of a fire.

**☎** Oshu Kanegasaki Administrative Association, Firefighting Main Office (24-7211)
