Yearly Health Checks are Starting: Don't Forget

Eligible people will be sent health check notification documents in late May. Please check the enclosed Oshu Health Check Notification about details and out-of-pocket costs.

In a typical year, only half the people who apply for a cancer screening actually go get screened. Even if you don't have any symptoms, it's important to get screened regularly, to detect any hidden illnesses or abnormalities early, so as to get connected to treatment. If there is a screening that you forgot to apply for, you can apply from now on. For details, please contact the office below.
