

New Coronavirus Vaccine Group Vaccinations for Technical Interns and Others

Group vaccinations against the new coronavirus will be conducted for technical interns and others.

Oshu will provide “group vaccinations against the new coronavirus for technical interns and others” to that technical interns living in the city can receive coronavirus vaccinations at ease.

!! IMPORTANT !!

This project will be conducted with the cooperation of business establishments that employ technical interns. Applications should be made by the business establishment.

- Details: In order to ensure that technical interns living in the city can receive the coronavirus vaccination with peace of mind, we are accepting group vaccination reservations with cooperation from business establishments that employ them. We have set dates for group vaccinations, where interpreters (including native speakers) will be available.
- Targeted persons: Foreigners who have an address in Oshu whose status of residence is “Engineer / Specialist in Humanities / International services,” “Skilled labor,” “Technical intern,” “Training,” “Specific activities,” and “Specific skills.”
 - ※ Persons who are registered as residents in other municipalities are not eligible for this project. We apologize for the inconvenience, but please get vaccinated in your municipality.
- Dates and sites where interpreters are available
 - (1) Oct. 2 (Sat.) Afternoon Esashi Branch City Hall, Multipurpose Hall (55 spots available) ※ Second shot: Oct. 23 (Sat.)

- (2) Oct. 3 (Sun.) Afternoon Plaza Inn Mizusawa (85 spots available) ※ Second shot: Oct. 24 (Sun.)
- (3) Oct. 9 (Sat.) Afternoon Plaza Inn Mizusawa (55 spots available) ※ Second shot: Oct. 30 (Sat.)
- (4) Oct. 10 (Sun.) Afternoon Esashi Branch City Hall, Multipurpose Hall (55 spots available) ※ Second shot: Oct. 31 (Sun.)

- How to make a reservation: Business establishments wishing to participate in group vaccinations should fill out the attached report form and submit it by e-mail or fax to the address below so that it will arrive by September 13 (Monday).

Community Development Promotion Division (Persons in charge: Kikuchi, Takahashi)

Fax: 0197-35-7466

E-mail: chiikidukuri@city.oshu.iwate.jp

- Other

- There are no age restrictions for this project. Persons of all ages can participate in the group vaccination.
- Those with a history of anaphylaxis are required to be seen at Mizusawa Hospital on their own, so this project is not available for them.
- The city will assign detailed vaccination times for each day. The determined timetable will be sent to the person in charge by fax or e-mail by Sep. 14. We apologize for the inconvenience, but please note that the set timetable cannot be changed.
- If the person in charge at the business enterprise for this project accompanies targeted persons to the venue on the day of vaccination, he or she can also be vaccinated. Please add the name to the report form if you so wish.
